Part 1:
//The date and time at which you already completed this demo, and briefly describe any challenges that arose during the demo.
Dec. 11th 2020, 12:00
Challenges that arose during the demo:
- Target api was rate limiting and after demonstrating search for some items, we had to stop and wait for a short period of time to resume using. Luckily our crash safe features allow us to resume where we left in the previous session.
